

POLARIS[®]
INDUSTRIES INC.

January 21, 2009

For grounds maintenance, Polaris Industries turns to Peterson Companies. At our World Class Product Development Center in Wyoming, MN, Peterson Companies provides us with reliable year-round maintenance while preserving our natural environment.

Whether it is for snow removal or lawn maintenance, Peterson Companies' crews are on-time and even available for special projects at a moment's notice. Polaris has been fortunate to be able to rely on Peterson Companies for grounds maintenance as well as additional outdoor construction needs.

We know we can call Peterson Companies for any outdoor maintenance need; from trimming a tree to massive excavation projects and everything in between.

It is with confidence that Polaris Industries recommends Peterson Companies, Inc. for any outdoor construction project or grounds maintenance needs.

Sincerely,

Douglas Fischer
